

CMSAA PLAYER/PARENT AGREEMENT

The following is a contract to be signed by all Coaches, Players, and Parents. This is to inform all parties what is expected of them during the season.

Academically:

OLQA recognizes that the primary mission for its students is education. Therefore, it is essential that there be a strong commitment to academic success by the OLQA Student Athlete and a promise to work to his/her potential in order to participate in the CMSAA Sports Program. All assignments in all subject areas must be current.

Respect:

- I will speak to all coaches and other adults with respect and use "Mr.," "Mrs.," "Coach" when addressing them by name.
- I will treat all of my teammates with respect on and off the playing field.
- I will not use foul language or verbally put down another player from my own team or the opposing team.
- I will respect the playing field at any venue. I will not bring food other than water or Gatorade into another school's facility.
- I will wear my uniform in the manner in which it is required. My uniform shirt will not be rolled and tied but tucked into my shorts. I will not have layers of clothing hang from below the waistband. I will not wear earrings, jewelry, wristbands, etc.

Sportsmanship:

- I will display good sportsmanship to all opposing teams.
- I will not display inappropriate sportsmanship during practice or games (i.e.: kicking chairs, throwing water bottles, etc...)
- If I receive warnings for poor sportsmanship like conduct, from my coach, a referee, or an opposing coach, I understand that I will be benched for the remainder of the game.

Practice/Games:

- I will be prepared for all practices and games. I will dress appropriately and have any necessary equipment with me (i.e.: knee pads) Even if not prepared, I understand I must still attend practice and games but not participate.
- I will attend all practices and games unless conflicts have already been cleared with School Administration, school sports representative (Mrs. Halversen) and the Coach. I will check the school website calendar or notification emails daily for changes in the schedule. Stating that "I forgot or didn't know there was practice" is an unexcused absence and may cause me not to participate in the next game. I understand that if I miss two practices without notice, I may be removed from the team. Even if injured, I understand I must still attend practices and games in uniform as a member of the team.
- I will not make phone calls or text during practices or games. I understand that if there is some sort of urgency requiring me to do so I will speak to a coach for permission first.
- I understand that I must setup and put away all chairs and required equipment for each game and that I am **not permitted to leave** the building until everything is back in order. I will not continue to play after the game is over.

I will always represent Our Lady Queen of Apostles Regional Catholic School with respect on and off the court. I understand that not following this agreement may cause me to face disciplinary actions such as not being permitted to play in a game or being suspended from the team. I will adhere to any Covid-19 policies that are in effect pertaining to my sport.
